Capabilities Statement

For over 40 years, Southern Maryland Towing has provided around-the-clock trustworthy light, medium and heavy-duty towing and transportation services across St. Mary's County. When you find yourself in an unfortunate roadside situation, don't waste time worrying about what to do next. Simply call our dispatch number 24/7, any day of the year.

Southern Maryland Towing provides 24/7 emergency towing and transportation, after hours, weekends and out-of-state services. As a leading provider in the transportation and hauling industry, we provide; Lowboy and Landoll equipment delivery, and permit hauling with the capability to provide our own escort services. We also provide our legacy towing services including medium and light-duty flatbed services for equipment and parts delivery.
